

Your Strategic Partner for Financial Consolidation & Reporting Excellence.

Where complexity meets clarity—Ascend & OneStream

Ascend Partners delivers expert financial consolidation and reporting solutions with **OneStream**, transforming disconnected financial and operational data into a single source of truth. Our approach combines deep finance-domain expertise with practical integration and workflow design to accelerate the close cycle, strengthen controls, and deliver actionable insights.

Why OneStream for Consolidation?

OneStream isn't just another CPM tool—it provides advanced consolidation and reporting capabilities for today's complex finance environment. When implemented by Ascend, you can expect:

▶ **Faster, Confident Close**

Automate intercompany eliminations, currency translations, and consolidation rules to shorten close cycles and deliver timely, reliable results.

▶ **Audit-Ready Transparency**

Gain full visibility with guided workflows, sign-offs, and drill-downs—strengthening governance, compliance, and trust in reported numbers.

▶ **Dynamic Ownership & Structure Management**

Adapt quickly to evolving business structures, joint ventures, and ownership changes with flexible, configurable models.

▶ **Integrated Financial & Operational Reporting**

Deliver interactive reports and dashboards tailored to stakeholders, with drill-back to transaction-level detail.

▶ **Sensible AI**

Automate reconciliations, surface anomalies and variances, and accelerate close and reporting with greater accuracy through the power of artificial intelligence.

Transform your consolidation workflows and empower your finance team to extract deeper strategic insights, faster, with OneStream and Ascend.

Business Challenges We Solve

Even the most capable finance teams can be held back by outdated tools and fragmented systems. Ascend's OneStream solutions address the root causes of slow, error-prone financial consolidation processes—unlocking efficiency, control, and confidence. We help to eliminate pain points such as:

- ▶ Fragmented systems and manual reconciliations
- ▶ Spreadsheet dependence and error risk
- ▶ Slow, manual close cycles
- ▶ Weak governance and limited audit trails
- ▶ Inflexible structures that can't scale with growth

“Having the actuals and the planning in the same application, with the same metadata and calculations—it's fantastic! It's broken down the silos.”

— Sylvia Wang, Business Process Lead, Finance, Barrick Gold

The Ascend Difference

Unlike fragmented legacy EPM solutions, Ascend delivers a unified financial consolidation and reporting platform with practical implementation expertise. As a OneStream Diamond Partner with a 100% proven success record across industries, we bring technical mastery and finance-domain depth to every project.

Our philosophy is simple: we collaborate with—not for—our clients, ensuring solutions meet immediate needs, deliver long-term value, and align with your strategic objectives.

We focus on:

- ▶ Simplifying data integration across ERPs and other systems to ensure consistency and quality
- ▶ Delivering a robust, auditable financial close with built-in workflows, controls, and transparency
- ▶ Scaling solutions to match your business growth and evolving ownership, entity, and reporting needs

This collaborative, future-proof approach ensures every Ascend implementation reduces complexity, strengthens governance, and creates a foundation for insight-driven decision-making.
